Second. Statement of Intent

i, edward, state the truth on My Oath and do declare the following matters of fact as hereinafter:
from the beginning, *i* do hereby make Oath of Allegiance to the Kingdom of Heaven under the One True Source Divine God Almighty Ever-Living God-YHWH “*i am*” of All living heirs, men and things as to whom *i* serve under Heaven on the plane of earth, and with God as my witness, *i am*, a true man of God, a creation by My Divine Creator God, acknowledge all blessings given by God, repent all transgressions against God, and waive all claims without God. *i am* a heir, a sentient man of flesh and blood, a soul, the Living heir—*haeres ex asse suis*—and beneficiary, mortgagee, and subrogee to the “Edward Roark Schwagerl” unincorporated decedent escheated legal estate natively domiciled in Franklin county, Ohio, now privately domiciled by declaration as a Minnesotan national, and *am* known by My one proper and private Christian given name “*edward*”, My middle common name given by My father “*roark*”, and My family common name “*Schwagerl*”, hence :*Schwagerl, edward roark*: established after my day of nativity (hereinafter “*edward*” also “*i, Me, Myself, Roark*”) the only real party in interest at all times relevant herein, *in esse* and *sui juris* herein, endowed with certain unalienable rights; *i am* born grounded upon soil and the unincorporated law of the Land and privately occupying and privately domiciling temporarily located on the sovereign unincorporated Union member of the State of Minnesota in its Perpetual Union and Sovereign Territorial jurisdiction and venue outside any “Federal Zone” within a non-military occupied private estate, not subject to the jurisdiction of the military occupied war powers “United States” nor the “District of Columbia” insofar as protected by international law Article 23 of the Treaty Convention of the Hague of 1907 amended; and, *i am* a living private civilian citizen of the United States/Minnesotan national of sound mind, one people of “the People” of white private American Christian Posterity birthright, a Protected Class, wholly and totally excluded from, and deemed a peaceful non-hostile party “national” by, the applicability of the definition “person” in the amended 1917 “Trading with the Enemy Act” titled “Emergency Banking Relief Act” of 1933, a true beneficially interested heir created by God, by legacy, parentage, bloodline, and birthright of the “Posterity” under the inherited rules of Chancery (infra page 14, paragraphs 5-14) and intend to affirm what already is—my private status by ancestral inheritance, birthright, legacy, bloodline, and by parentage and by express allegiance *ab initio*, and that *i am* the heir—*haeres ex asse suis*—to Franklin county, State of Ohio issued unincorporated registered Estate of “EDWARD ROARK SCHWAGERL” and “Edward Roark Schwagerl” intestate decedent legal escheated estate (said estates are hereinafter referred to as “Said Ohio Persons”), and *i am* not a statutory public implied quasi-trustee, nor Roman Citizen, nor statutory “U.S. citizen”, nor officious volunteer surety for third party artificial persons, nor a personally liable Registered/Resident Agent thereof, nor voluntarily liable to any *nom-de-guerre* names derived thereof, nor oaths or sworn statements thereof mistaken; and hence therefore, the following testimony, facts and assertions contained herein are true, correct and complete to the best of My current first hand personal knowledge and information, and that what relates to the act and deed of any other, be it an individual or artificial person, *i* believe in good conscious

Only in the Status stated herein:

Edward Roark Schwagerl

and good reason to be true. In the occurrence of any conflicts of interpretation in this P.R.D. then this "Statement of Intent" shall govern.

Third. Notice of Conflict or Variance of Law

My Declaration is to Amend and all previous documents that *i* are filed as a matter of record, or other public communications, in relation to My lineage, or My natural and protected Political inclusions, Equitable and Legal Interests with regards to My legacy, parentage, Birthright and current state and national status and is intended to correct any errors in those previous documents that *i* may have mistakenly, or inadvertently made unavailing. In the event of conflict between this and any previous recorded documents, the statement and Claims in this Declaration shall be determined to be My correct facts on the matter. My rights as a private civilian citizen are in jeopardy, and are of those classes, rooted in a lofty Christian morality, which the written constitution for the United States of America either confers or has taken under its protection and no adequate remedy for their enforcement is provided by the forms and proceedings purely legal, and for which their modes of acquiring jurisdiction are military in character, the same necessity invokes and justifies, in cases to which its remedies can be applied, that jurisdiction in equity vested by the written constitution for the United States of America, and which cannot be affected by the legislation of the emergency provisional congress, the states or agencies who are subject to the laws of the emergency "United States" in the District of Columbia. In the event the interpretation of words, doctrines, ideas, principles and laws are in conflict, then the interpretations shall be governed by that of English Chancery ratified by the Judiciary Act of 1789, next, Chancery Division of the "supreme court of the United States" in paragraph one of June 19, 1934 of the 73rd Congress Sess II CHS 651, 652 (Public Law No. 415), which judicially powered jurisdiction, are later left untouched by the supreme court in their passage of specifically only "SEC 2" in 1934, and American Equity Jurisprudence circa A.D. 1776 which protection arises under My country governed by the Reformation written inherently powered "*We The People*" "**The Constitution for the united States of America**" Art. III, Sect. 2, subd. 1, original judicial power vested therein, Maxims of Equity listed in Annex Four, and private trust law: equity shall always prevail!

Take Notice hereby that the primary equitable rights expressed herein are not cognizable at law, much less by martial modes of acquiring jurisdiction, and thus *i am* without a speedy, nor adequate and complete remedy at law and therefore there arises a conflict or variance of the rules of law over subject matter of the State of Ohio/Franklin county issued registered unincorporated organizations "Edward Roark Schwagerl" and "EDWARD ROARK SCHWAGERL" respectively, in relation to My private citizenship. Said conflict is governed by the Judiciary Act 1789 in its §11, §16 & §20 and also by import of England's High Court of Judicature Act of 1873 Amended 1875 both of which are attached hereto by reference (as well as stated by the Supreme Court of Minnesota (Dunnell's 1910 §3140)) "when there is a conflict between the rules of equity and the rules of the common law over the same subject matter the rules of equity shall prevail" to the exclusion of generally Roman Civil law or Roman Equity *du jour*, statues and codes or international law or military doctrine by applying the maxim "*Inclusio unius est exclusio alterius.*"

As a private civilian citizen of the United States/Minnesotan national party to the organic unimpeachable written "**The Constitution for The united States of America**", as Amended 15 December A.D. 1791 (hereinafter "My Constitution"), said original root organic *de jure* Land jurisdiction of the Union "The United States of America" by My country's written **Articles of Confederation** as ratified by all thirteen original states A.D. 1781 hereinafter said written constitution and articles are

E.R.S.

collectively referred to throughout this document as “said USA”, as stated herein this Notice by Declaration herein is to express succinctly with specificity and particularity My Legal and Equitable Nature and Character, Political wishes, intent, will, purpose and conscience. *i do not* voluntarily surrender any part of My sovereignty or Liberties to any non-Republican *de facto* provisional “emergency” military or municipal government in accordance with the maxim *Cessante ratione legis, cessat ipsa lex* “when the reason for the law has ceased, the law itself ceases,” or international military law of occupation by operation of law or otherwise and instead at all times *i* receive the private fundamental civilian due process protections expressly safeguarded, enumerated, and ratified by My country’s adopted written “The Constitution for The united States of America, as Amended A.D. 1791,” without waiver of Article I, Sec. 8, constitutionally limited grant of Powers, on relation to the sovereign Territory of the several member Union States of the country of The United States of America, AD. 1791; and therefore, *i* am to be self-governing in the words within in My nation’s original executed Bill in Chancery genesis root title quasi-trust document entitled written “IN CONGRESS, July 4, 1776. The unanimous Declaration of the thirteen united States of America” A.D. 1776 “under the Laws of Nature and Nature’s God” now in it’s glorious two hundred and fortieth year of our Lord Jesus the Christ Advocate My wonderful Counselor.

Fourth. Background Premises

i, edward, do solemnly state My Premises with the following historical facts with regard to My status of *de jure* constitutional non-statutory private American citizenship: said original constitutional citizenship, secured by Article IV, Section 2, and also described in Article II, Section 1, Clause 5 (“No Person except a natural born Citizen...”), and which later said definition is made broadened into national citizenship by Section 1 of the Fourteenth Amendment to the constitution for said USA, and, which status is wholly distinguished and entirely excluded from the design of the Roman papacy spearheaded by the military order of the “*Society of Jesus*” who seeks to permanently overthrow the organic Common Law liberties of Private Minnesotan national citizens of said USA by imposing a State-created, “Roman” statutory *de facto* “voluntary”—defined by Equity Maxim “*Equity does not aid a volunteer*”—public “U.S. citizenship.” Said *de facto* public U.S. citizenship, being in practice a privileged Old World Roman citizenship, would enable the constitutionally *de jure* civilian government of the United States (having been constitutionally altered from being a *de jure* “Federal” government to a *de jure* “National” government by the Fourteenth Amendment, A.D. 1868) to be replaced with a extra-Congressional-ly-created, statutory *de facto* “Emergency” War Powers military provisional government of the United States on March 9, A.D. 1933. This radical Justinian Roman Equity socialist-communist *coup d’etat* is plotted by the infamous “*Society of Jesus*”, aided by the Knights of Columbus, and carried out by its Scottish-Rite Masonic agent, President Franklin “Augustus Caesar” Roosevelt to overthrow the well established republican civilian government whose essence is the constitutional *de jure* jurisdiction of the United States—the “United States” being “the collective name of the states which are united by and under the constitution,” *Hooven & Allison Co. v. Evatt*, 324 U.S. 652, 672), by replacing it with a *de facto* military provisional government exercising an extra-constitutional alien and foreign *de facto* jurisdiction of the said “United States” (this “United States” being “the territory over which the sovereignty of the United States extends,” *Hooven & Allison Co. v. Evatt*, supra, 671, and their amended “Trading with the Enemy Act”, A.D. 1933, (50 USC App. 5b, ratified by 12 USC 95b).

Further, by replacing the original organic constitutional *de jure* private Minnesotan national citizenship with *de facto* voluntary public “U.S. citizenship,” thereby enabling the constitutional *de jure* jurisdiction of said USA to be legally replaced with a statutory *de facto* jurisdiction of the “United States,” the Jesuit Order fulfills its design of overthrowing the organic Common Law liberties of the United States as plotted during the Congress of Vienna (A.D. 1814-1815) and the subsequent Secret Treaty of Verona (A.D.1822) of which President James Monroe issued his blessed “Monroe Doctrine” (A.D.1823) and for which he was given “the poison cup” on July 4, A.D. 1831 (American inventor Samuel F. B. Morse warned of this diabolical Jesuit Conspiracy against America in his epic work Foreign Conspiracy Against the Liberties of the United States published in A.D.1835).

Further, this overthrow of both *de jure* Private American citizenship at Common Law and its counterpart the *de jure* jurisdiction of the “United States” at Common Law, would enable the Jesuits from Georgetown University to use the *de facto* Emergency War Powers American Executive Branch—now possessing the unlimited legislative powers equivalent to as an Old World Roman Praetor issuing “Edicts”—to wield absolute legislative power over the *de jure* fifty sovereign states turned into *de facto* “conquered territories” ruled by the statutorily-created *de facto* national Emergency War Powers military provisional corporate government. This unlimited, congressional power would enable the Jesuits, ruling their *de facto* military provisional government of their *de facto* American Empire to control by statutory sourced authority over every facet of American life “from the cradle to the grave.” This control would include the imposition of socialist-communism for the building of cartel capitalism and the destruction of the historic White Race Protestant and Baptist Middle Class Americans (as well as all others); the building of a huge military industrial complex while using their *de facto* public “U.S. citizens” to work in the Jesuit Order’s anti-laisser-faire cartel-capitalist corporations; and to finance and fight the wars of the pope’s American Empire. These international crusades directed by the Society of Jesus from within the United States via its Council on Foreign Relations would be fought for the benefit of the Roman papacy in restoring the Temporal/Political Power of the pope over the governments of all nations while subsequently militarizing those conquered nations.

Further, with the change of the *de jure* constitutional jurisdiction of the “United States” (with its Common Law civilian due process and procedure secured by the Fifth Amendment, the Seventh Amendment and by Section 1 of the Fourteenth Amendment, to a *de facto* extra-constitutional Old World Roman Civil Law jurisdiction of the “United States” [established by an amended World War I statute (starting 1917 Amended 9 March 1933), a Presidential Proclamation (5 March 1933), and the subsequent abolition of public Common Law rights and public Common Law civilian due process by the Supreme Court (1938)], an alien and foreign martial due process would be adopted by the federal and state courts fitted for the new *de facto* public “U.S. citizens” living in the states deemed *de facto* “conquered territories.” Since these *de facto* public “U.S. citizens” are, in substance, Roman citizens, and since these *de facto* “conquered territories” are in form and practice Roman provinces and districts under military occupied rule, it is only fitting that the Roman/public “U.S. citizens” should be criminally and civilly subjected to a *de facto* martial due process imposed by their constitutionally-created civilian courts. This *de facto* martial due process—if unchallenged by prima facie evidence proving the accused to instead be a constitutional non-statutory private civilian citizen of the United States/Minnesotan national of said USA and also rebutting the presumption of not being a commercial public “U.S. citizen”—would confer in fundamental error or mistake a constitutional threshold issue of martial *in personam, quasi-in rem*

jurisdiction. With this absolutist judicial jurisdiction limited only by decisions of the Supreme Court the federal courts would be in fact in general practice territorial courts of the *de facto* Roman/Praetor Conqueror "Caesar." These provisional "emergency" War Powers Courts would enforce the sovereign Will of the *de facto* provisional Emergency War Powers Congress by sitting in a "look-alike-but-not-genuine" enlarged procedurally merged concurrent court of equity/at-Law of the pre-1933 era modern merged procedural legal system operating upon a legal fiction imitating the form of The Judicature Act of 1873/1875 (TOA: Pomeroy §124, Gibson §15, §21). The legal fiction is the presumption of fact that each individual constitutional non-statutory private civilian citizen of the United States/Minnesotan national of said USA is in quasi-contract, implied quasi-trustee, registered agent's public office enfranchised by the probate State of his natural birth thereby altering/morphing his constitutional *de jure* non-statutory Private Minnesotan national citizenship inherited at nativity to be surreptitiously altered into a legal statutory *de facto* public Federal "U.S. citizenship" upon the voluntary public filing of, and receiving a dubious notice of, a unilateral voluntary deed/contract birth certificate implying the change in status of which enables and obligates the Emergency War Powers Courts to dispose of his property and rights, federal or state, criminal or civil as if a "public U.S. Citizen"—and in substance excluded from his birthright status—the private civilian citizen of the United States/Minnesotan national is not receiving his birthright substantive rights to fundamental justice and legal treasures of which span hundreds of years. He is now without any public legal or equitable usual means to now receive his English/American law forms beginning March 9, 1933.

Furthermore, that voluntary unilateral deed/contract instrument without acceptance of sufficient good and lawful valuable consideration is the public filing of a "Certificate of Live Birth" characteristically patterned after the Roman Catholic "Certificate of Baptism" creating Vatican City-state Roman privileged based citizenship. The American "Certificate of Live Birth"—by operation of law mailed First Class Mail to contribute to the volunteer nature of imperfect delivery/acceptance—is the voluntary imperfect assignment via the exclusive English/American Equity Jurisprudence pursuant to the Maxim of Equity: "Equity does not aid a volunteer; Equity will not complete an imperfect gift," and/or quasi-contract without receipt of sufficient good and lawful consideration intended to alter My *de jure* constitutionally defined, wholly non-statutory, Private American citizenship to that of *de facto* voluntary public statutorily defined "U.S. citizenship." Because this presumption—that every constitutional non-statutory private civilian citizen of the United States/Minnesotan national of said USA is now property and mere volunteer surety without receipt of sufficient good and lawful consideration, and/or, implied trustee without express knowledge or legal capacity to discharge, and for some form of a registered Certificate of Birth—even a true private civilian citizen of the United States/Minnesotan national is subject to a public court jurisdiction who sits in an enlarged modern merged court of Justinian's Roman Equity, an Emergency War Powers provisional martial regime ruled by the Executive Branch's executive orders under its defined "public policy." This *de facto* provisional regime enables and obligates all federal and state courts to sit in a *de facto* martial merged Roman Equity jurisdiction thereby fulfilling the grand design of the Society of Jesus in subverting the express fundamental inherited English/American Equity/Common Law jurisdiction of the United States (as defined per Section 1, 13th Amendment, and Section 1, Fourteenth Amendment) by rendering sterile the constitutional status of *de jure* constitutional non-statutory private civilian citizen of the United States/Minnesotan national of said USA unless rebutted in law on an individual *in esse sui juris* basis, hence this authored public record by Me that you are gleaming at this moment.

Furthermore, this undesirable—dubious at best—design of the military “Society of Jesus” against the fundamental substantive constitutional, Common Law liberties of the constitutional non-statutory private civilian citizen of the United States/Americas of said USA, is set forth by one of the Order’s Masonic Temporal Coadjutors. That man is Sir Henry Sumner Maine, Regis Professor of the Civil Law in the University of Cambridge, England. In his *Ancient Law: Its Connection with the Early History of Society, and its Relation to Modern Ideas* (A.D. 1864), Maine set forth his three-part ‘trinity’ plan that, after its imposition, overthrew limited American government born out of the Protestant Reformation (A.D. 1517-1648) and the First American Great Awakening (A.D. 1735-1750). That diabolical, “unholy trinity” is first the creation of a Legal Fiction, after which the imposition of judicially merged martial Roman Equity following the overthrow of an organic English/American Equity/Common Law, then opening the door to congressional unlimited Legislation for the sole purpose of commerce and war. The legal foundation and substance for this *de facto* overthrow of the limited constitutional *de jure* “jurisdiction of the United States” is the Legal Fiction. That Legal Fiction, its authority rooted in ancient Justinian Roman Equity, a) is cloaked as *de facto* benefits or privileges, limited liability for a volunteer, b) is legally imposed by silent voluntary implied quasi-trusteeship by one’s uninformed, unavailing, waiver and consent—closely related in Equity Jurisprudence and Maxims of Equity—of *Me* the constitutional non-statutory private civilian citizen of the United States/Minnesotan national without My full knowledge on which to avail *Myself* fully of My personal legal and equitable rights due to error, mistake or accident, and c) is established by the general unqualified public filing of a Certificate of Live Birth and the Baptismal Certificate of every federally-owned public “U.S. citizen.” Hence, *Me*, the constitutional non-statutory private civilian citizen of the United States/Minnesotan national become unknowingly subordinated to a mere volunteer implied quasi-trustee, registered agent, for an artificial person and the held property of his alter ego and Gemini Twin the statutory public “U.S. citizen.” As of March 5, 1933, all public “U.S. citizens”—who are originally constitutional non-statutory private American citizens secretly obligated to their volunteer suretyship/implicit quasi-trusteeship/chattel property—were seized as prize/booty of war by President Franklin Roosevelt’s provisional martial emergency war powers Proclamation 2039 which in fact overthrew the *de jure* Sovereignty of “*The People*” of said USA, attempting, albeit voluntarily, reducing *Me* to being mere chattel property or worse “enemy” of Rome’s *de facto* military provisional government seated in Washington, D.C., to be treated as “rebels and belligerents” living in the fifty states deemed by the Conqueror/Commander in chief to be merely “occupied territories” the seized state governors ruling their *de facto* military provisional governments in subordination to Washington, D.C.

Fifth. Declarations and Recitals

Preamble

Therefore, *i* find it intolerable that My situation of incorporated statutorily-altered citizenship status runs against good conscious and good reason, is counter to good citizenship, is in contradiction with the maxims of Holy Scripture—Proverbs 11:15: “He who is guarantor for a stranger will surely suffer for it, But he who hates being a guarantor is secure”, and in conflict of variance of law with the originally established courts of civilian due process of fundamental inherited Common Law as well as the Court of exclusive/inherent Equity/Chancery governed by the Maxims of Equity, Equity jurisprudence and trust law, BE IT RESOLVED *i*, *:Schwagerl, edward roark:*, hereinafter “edward”, do HEREBY solemnly state, declare and affirm:

1. Whereas, the Said Ohio Persons issued registered unincorporated organizations evidenced by “CERTIFICATE OF LIVE BIRTH” and/or “CERTIFICATION OF BIRTH” in (see Annex One attached hereto and made a part hereof, hereinafter jointly referred to as simply “BIRTH CERTIFICATE”) is in substance or fact any combination of: a) a unilateral quasi-lien secured obligation under seal, b) an implied arrangement tacitly devolved upon *Me* as the obligor and voluntary principal debtor without consideration, c) an imperfect gift, deed absolute security in the nature of a mortgage, transfer or assignment to a mere volunteer defined in Maxims “*Equity does not aid a volunteer*” and “*Equity will not complete an imperfect gift*” d) a Franklin county State of Ohio created insolvent registered unincorporated organizations, decedent’s legal estate of a fetal death or foundling report or afterbirth or placenta or any other biology of My mother from her womb to the exclusion of a “baby boy” on the day of my nativity, or business trust estate, to which *i* volunteered to be a registered agent, and for which *i* have repeatedly mistakenly endorsed in writing under My personal suretyship without any knowledge of my subrogation or exoneration remedies in “a” under the rules of agency without consideration and without full knowledge or understanding of its provisions of law or facts due to error, mistake or accident, altogether which jointly attempts to reduce My birthright and parentage equitable standing to a “mere volunteer” that effectively bars any aid from a court of inherit and exclusive Equity or court of record under *de jure* status, is created and established legally through a dubious concealment of an operation of law of an implied unilateral contract under seal, and/or implied suretyship or registered agency to an artificial entity without neither full understanding of my equitable remedies, nor receipt of sufficient lawful valuable consideration, and/or an implied quasi-trusteeship without express acceptance or disclosure by which to avail all My rights thereof nor any legal capacity to discharge thereunder (aforesaid “a thru d” description hereinafter referred to as “said Suretyship” or “said Surety”) where its open-but-false purpose is to aid in the Census as a means of identification in the documentation of a natural nativity as well as for health reasons, as well as any drivers license privileges of commercial character over which unlimited legislative power over commerce reigns supreme and other purposes and other superfluous reasons and where its secret-but-true purpose being to craftily swipe and abscond from “We the People”—of which “*People*” *i am* an irrevocable beneficial member by parentage and birthright holding inherited, reversionary, remainderman, subrogation, restitution, equity of redemption, and express *inter vivos* interests (see infra page 14, paragraphs 5-14, Annex Two, and Annex Three)—their/My true “estate” as a constitutionally-created status, their/My access to true genuine inherit equitable and legal rights by nature to hold true title to land titles and primary money thru covenants that are appurtenant and run with the Land, and ultimately, swipe and abscond with

their/My life and legacies, inheritances, fortunes, self-determination, good conscience and sacred honor;

2. Whereas, the dubious result of said BIRTH CERTIFICATE of **Said Ohio Persons** in said **Annex One** said Suretyship acts to reduce My natural equitable standing to an implied unavailed obligor, principal debtor and artificial person altogether bound as a fiduciary to it in equity by maxim "*No Person Bound to Act for Another in any Matter can, as to that Matter, Act for Himself*" where Courts of Equity lay it down as a rule, without exception, that no trustee—i.e., Fiduciary to Birth Estate — "shall in any case, or under any circumstances, directly or indirectly, acquire any personal interest or title in or to the trust property, or its proceeds, or make any personal profits out of the trust, or by means of his trust character, without the full consent the beneficiary, give under circumstances that leave no room whatever to question the perfect fairness and good faith of the whole transaction" (TOA Gibson);
3. Whereas, due to My Mother's accident, error or mistake of sacrificing My rights during infancy/childhood due to her legal disability, lack of competent legal capacity being generally legally disabled, and without full disclosure of the true nature of the transaction and to avail herself of all her baby boy's—My private estate in freehold—and private family name claim, private substantive rights and citizenship, serve as converted commercial collateral securities for the unquestionable public debt as per Section 4 of the Fourteenth Amendment;
4. Whereas, said BIRTH CERTIFICATE of **Said Ohio Persons** is a public instrument recorded with the County Registrar or Probate Clerk or Chief Administrator under seal, a subsidiary of the Secretary of State (of the several states treated as "conquered territories"), also sent to the Bureau of Census a division of the Department of Commerce in Washington, D.C. placing the NAME of the public "U.S. citizen" into interstate and foreign world commerce as a statutory legal "person" (as are corporations, partnerships, statutory trusts, corporate soles, etc.) distinct and separate from the "natural born Citizen" i.e., the constitutional—non-statutory—private civilian citizen of the United States/Minnesotan national of said USA;
5. Whereas, said BIRTH CERTIFICATE of **Said Ohio Persons**, functioning as an assigned public instrument, without sufficient good and lawful valid consideration, has dubiously—by My accidental waiver and consent—hoodwinked *Me* without My knowledge or understanding or express consent, into accepting said Suretyship for an artificial "U.S. citizen" and obligated *Me* to a covert implied contract by operation of law of an incomplete transfer of a gift devolving upon *Me*—My *birthright status*—under an alien foreign and yet "temporary," *de facto* military jurisdiction of the United States created primarily by the "Emergency Banking Relief Act" its initial paragraphs containing a congressionally-amended World War I statute known as the October 7, 1917 CH. 106, 40 STAT. 411 "Trading With the Enemy Act," herein incorporated by reference, (where its citizens—private in nature—of the United States circa A.D. 1917 are congressionally intended to be excluded from it's application) combined with President Franklin D. Roosevelt's Emergency War Powers Proclamation 2040 decreed by him on March 9, 1933, c. 1, Title I, Sec. 1, 48 Stat. 1., H.R. 1491 hereinafter summarily referred to as "TWEA/EBRA" codified as its 50 U.S.C. App. 5(b) and 12U.S.C. 95a,b respectively, that as amended now only applies to artificial "persons";
6. Whereas, the above *de facto* provisional martial jurisdiction of the United States includes the jurisdiction of the constitutionally-created federal and state civilian courts (in form by characteristic) sitting in a martial Roman equity 'public policy' proceeding springing entirely from the executive office of the Commander in Chief's executive orders (Roman "edicts")—only in form by

characteristic of the real natural organic English/America Equity jurisdiction—the courts no longer proceed against the accused constitutional non-statutory private civilian citizen of the United States/Minnesotan national of said USA with the Mode of the original fundamental inherited English/American Common Law/original Equity/Chancery Jurisdiction using civilian due process (in true original judicial substance and form), but instead the courts proceed with the Mode of a Roman Civil Law martial due process that if unchallenged by producing state-filed public records and other prima facie evidence will confer a martial jurisdiction over the accused then force the accused to plead in a court imposing martial due process and administrative procedure—void of any true natural substantive rights by birthright—derived from a congressionally-amended World War I statute as of March 9, 1933, the federal and state judges, acting on behalf of the *de facto* military dictator-commander-in-chief-monarch-praetor seated in Washington, D.C.;

7. Whereas, Article 1, Section 7, clause 2 and 3 of My Constitution does not permit any and all of the congressional, legislative, and executive branch conduct noted since March 5, A.D. 1933, now in its 83rd year, to be established as law without the Separation of Powers doctrine that applies in fact or in law to *Me*; *i* believe and put great reliance upon that said Constitution holds these acts null and void as a matter of paramount Law that affects *Me* or My immediate private family as private Citizens of said USA and based upon The Supreme Court of the United States case Law quoted above, “circuit court of the United States now named “district court of the United States” in paragraph one, but not included in the “SEC 2” that is in the passage of the Act of June 19, 1937; *i* do not waive said paramount Law on relation to said null and void acts beginning March 9, A.D. 1933 along with thousands of Executive Orders “Public Policy” as established as *de facto* Law or to have any purported effect upon *Me*, in My past, present, or in the future;
8. Whereas, as said private civilian citizen of the United States/Minnesotan national of said USA *i* reserve the Right to Politically challenge, and do not Politically waive, but invoke said My Constitution on relation to its Article 1, Section 7, clause 2 and 3. *i* believe My said Constitution mandates how bills and other acts of Congress shall be made into Laws of said USA. *i* believe the extra-constitutional—dubious—provisional emergency war powers under the auspice of “law of necessity” to impose upon *Me* a Roman Equity martial rule is wholly counter the original will and intent of the Founding Fathers and Framers, against good reason and good conscience, and do not grant the creation as Law or any purported bill or purported act not enacted pursuant to the limited grant of Powers including but not limited to Article 1, Section 7, clause 2 and 3 as purporting to have any force of Law upon *Me*;
9. Whereas, because the public filing of the BIRTH CERTIFICATE of Said Ohio Persons creating the implicitly attached private civilian citizen of the United States/Minnesotan national of said USA serving as said Surety for an artificial person, and *i am* presumed to have “abandoned” such property and *i am* presumed to be as “absentee” heir from My private birthright estate inheritance, and My private estate escheats to the State as another major “source” that would generate “income” which could then be income/excise/privileged taxed as Escheated where the “administrators” become the “qualified heirs” enjoying their “generation skipping tax” transfer that escheats the property of the private civilian citizen of the United States/Minnesotan national heir/devisee/legatee not otherwise possible at Common Law or Equity;
10. Whereas, the natural private person/baby/constitutional non-statutory private civilian citizen of the United States/Minnesotan national of said USA now bonded/merged into his new public artificial person “U.S. citizen” as its commercial property is subordinated said Surety as the new revenue

“source” (deemed a “rebel” and “belligerent” residing according to state statute in a state deemed a military “occupied territory”) being in public commerce and subject to the absolute legislative powers of the “temporary” emergency “War Powers Act” Congress (1933 A.D.-present) to regulate without limit interstate and foreign commerce pursuant to Article I, Section 8, Clause 3, of The Constitution for said USA during this time of a provisional “temporary” declared state of National Emergency that is now (2016 A.D.) in its eighty-third (83rd) year;

11. Whereas *i, edward, in esse and sui juris*, a constitutional non-statutory private civilian citizen of the United States/Minnesotan national, is ceased to be the Principal Debtor/obligor—and the personal property of—Said Ohio Persons by means of a duly filed and recorded Notice of Acknowledgement and Acceptance, Notice of Release, Resignation and Disclaimer *ab initio* (Annex One attached hereto and made a part hereof) and Declaration of Election of Volunteer Suretyship (Annex Two and Annex Nine attached hereto and made a part hereof), thereby returning to the former status of being a constitutional non-statutory private civilian citizen of the United States/Minnesotan national of said USA held for less than fifteen (15) days, 31 May 1968, after My natural nativity event of sixteenth day of May nineteen hundred sixty eight of the year of My Lord and Savior;
12. Whereas *i, edward, in esse and sui juris*, separate and distinguish *Myself* as a subrogating heir—*haeres ex asse suus*—and “Agent without recourse” of Said Ohio Persons (aka “fetal death” of placenta or afterbirth, foundling report) entitled “Edward Roark Schwagerl” and “EDWARD ROARK SCHWAGERL” established by means of this publicly filed CERTIFICATE OF LIVE BIRTH and CERTIFICATION OF BIRTH, respectively, attached hereto and made a part hereof as Annex One and hereby irrevocably releases, disclaims, revokes and terminates all powers, including, but not limited to, Powers of Appointment or Attorney *ab initio* including but not limited to Franklin county State of Ohio fiduciaries, appointees and intermediaries Doctor A.J. Hart M.D. and Esther Dellenbach, Registrar their successor and assigns signed on the original “Certificate of Live Birth” shown in said Annex One Powers of Attorney and/or Agency that Declarant may have granted to any third party, public and/or private. Therefore, *i am* not subject to, and wholly excluded from, FDR’s contract with all “U.S. citizens” Proclamation 2040 and approved by Congress in its passage of the “War Powers Act” and “Emergency Banking Relief Act” thereby amending the “Trading with the Enemy Act.” Therefore, *i am* not primarily defined, or constituted by, a legal estate of registered agency (as are corporations) and therefore, *i* do hereby invoke subrogation upon any commercial quasi-privilege of secondarily liable commercial adhesion contracts to a commercial Creditor or Principal Debtor artificial person; furthermore, *i* have now released, discharged and indemnified all federal and state *de facto* Emergency War Powers Military Governments from any duty or obligation having arisen from Declarant being the property of, for bonded/merged into a state-created hybrid federally-owned public “U.S. citizen” in the service of Washington, District of Columbia;
13. Whereas, *i, edward, in esse and sui juris*, return to My original antecedent former protected status of being an American Freeman and constitutional—non-statutory—private civilian citizen of the United States/Minnesotan national, to wit: a *de jure* private civilian citizen of the United States/Minnesotan national of the Union country of The United States of America referred to in Article II, Section 1, Clause 5 and Article IV, Section 2, Clause 1 of My Constitution, and broadened by Section 1 of the Fourteenth Amendment and also therefore, *i* stand “*in esse*” and “*sui juris*,” possessing the certain unalienable rights as intended by its Framers—written and unwritten, *ab intestate* or *ex testamento*—established for My benefit and protection, use and enjoyment by the Bill in Chancery document entitled “IN CONGRESS, July 4, 1776. The unanimous Declaration of the thirteen united States

- of America**", and also protected by the first eight amendments of the Bill of Rights, all constitutional rights (federal and state) and all fundamental rights inherited through private trust law of a substantive *de jure* private civilian citizen of the United States/Minnesotan national of said USA and *i am* no longer said Surety, and/or bonded/merged into a *de facto* state-created public "U.S. citizen" owned by the Federal *de facto* provisional "emergency" Military Government of the United States;
14. Whereas, *i, edward, in esse* and *sui juris, am* no longer the legal property of, nor registered agent in a public office of, nor bonded/merged into, a *de facto* public "U.S. citizen" (which is "*alieni juris*") therefore no longer under the *de facto* jurisdictional power of statutorily-created *de facto* provisional Emergency War Powers Governments (federal and state) as those absolute legislative absolute executive and absolute judicial powers are exercised towards a *de facto* public "U.S. citizen" deemed a "rebel and belligerent" statutorily "residing" in a state deemed an "military occupied territory," and therefore *i am* not under the paternal guardianship "Master" of said provisional Emergency War Powers Governments (federal and state) as those absolute paternal powers are exercised towards its "infants, idiots, children and wards" *de facto* public "U.S. citizens";
 15. Whereas, per Roman Civil law the use of *Capitis diminutio maxima* consisting of the loss of liberty, citizenship and family where a person's status is changed from freedom to bondage, and where in *Capitis diminutio maxima* there is the highest loss of status which is herein described in the use of all titles, of birth, property and rights to extend outward in the requiring of permission in order to conduct commerce under the military doctrine of plausible deniability;
 16. Whereas, *i, edward, in esse* and *sui juris*, deny that the "One People" have granted power within My Constitution for said USA, in their sovereign authority under the great G-d "*I AM*" to compel any particular choice of government as against My Republican *de jure* form of National Government;
 17. Whereas, for the Sacred Scriptures at "The path of the righteous is like the morning sun, shining ever brighter till the full light of day"—Proverbs 4:18; "This righteousness is given through faith in Jesus Christ to all who believe. There is no difference between Jew and Gentile"—Romans 3:22; "But of Him are ye in Christ Jesus, Who of God is made unto us wisdom, and Righteousness, and sanctification, and redemption"—1st Corinthians 1:30; "And he said to him, 'You shall love the lord your God with all your heart, and with all your soul, and with all your mind. This is the great and foremost commandment. The second is like it. You shall love your neighbor as yourself. On these two commandments depend the whole Law and the Prophets.'"—Mathew 22:37-40 (see attached hereto and made a part hereof Annex Four: Table of Authorities "TOA");

Sixth. Oath of Allegiance and Personal Covenants

As a matter of course, **Grantors** order and demand Grantees/Principals to extinguish the liens, levies, seizures and obligations against **Grantors** *ab initio* and return secured interests, any/all collateral, payments, rents, interest and securities of Accounts of principal Debtors expressed by **Annex Eight**.

Eighth. Summary of Declarations and Recitals of Oath of Allegiance and Personal Covenants

i, :Schwagerl; edward roark: ("edward"), *am* a constitutionally defined and protected *de jure* non-statutory private civilian citizen of the United States/Minnesotan national of said USA only as a "Citizen" recognized in the constitution for said USA at Article I, Sec 2, paragraph 3, and Article I, Sec. 3, paragraph 3, and therefore, *i am* a constitutionally acknowledged and protected *de jure* private Citizen privately living within the unincorporated Union member state of Minnesota boundaries and borders as defined by the constitutional post office department established A.D. 1792, privately and specially dwelling within a non-military occupied private estate outside a "Federal Zone" and not subject to the jurisdiction of the municipal nor military "United States."

i, edward, hereby Claim My private sovereign status by parentage, birthright and as a direct blood descendant *ab initio* A.D. 1730 stated infer page 14, paragraphs 5-14, i.e., the *posterity*, of the People who form the American Union of the several states of **The United States of America**, and who are recognized internationally by King George III of England as *sovereign* in the Treaty of Paris, A.D. 1783. Those people create and scribed upon the written **Declaration of Independence**, A.D. 1776; the **Articles of Confederation**, A.D. 1776; the **Constitution for the Commonwealth of Virginia**, A.D. 1776; the written constitution for **The United States of America**, as Amended A.D. 1791; and, also create the Union of the *several States* and land of **The United States of America**, and grant limited powers of their *sovereignty* to those Nation-States formed thereby. Further, they pledge their lives and property to the support and defense of the constitutions of the newly formed States to which they grant limited powers of their *sovereignty*. As the direct *posterity* of these people, *i* make My Claim thru declaration, parentage, birthright, intent, and by allegiance as a beneficially interested member of the constitution for **The United States of America**, as Amended A.D. 1791. *i* claim similar status by inheritance to, and subject of, the Treaty of Paris, A.D. 1783, as a matter of International Law thereto.

Therefore, *i, edward*, a private American citizen national of said USA who holds the constitutionally-protected fundamental Right to a civilian due process of law that arises under the written constitution on both a federal and state level and who having no adequate remedy at Common Law much less Roman Equity and overall who is legally disabled when My mother and father unknowingly sacrificed My rights (Maxim: "Equity comes to the aid of the legally disabled" TOA: Gibson §35) *i* require therefore to be under the rules of equity where the Judicature Act of 1873 that is imported into the Judiciary Act of the United States, to wit: "when there is a conflict between the rules of equity and rules of law over the same subject matter the rules of equity shall prevail" (TOA: Gibson §8). Due to My status *i am* excluded by law from the dubious "Emergency Banking Relief Act" that invariably imposes a martial due process of law (by way of the amended "Trading with the Enemy Act") on any artificial "person within the United States," and, *i am* no longer deemed federal "prize/booty of war," and, *i am* one of the Sovereign American People of the Union country of The United States of America—the

People, who granted, settled and established the grand and glorious Protestant Constitution for The United States of America with its Protestant Baptist Calvinist-inspired Bill of Rights for themselves and for their Posterity of/by which *i am* a beneficially interested member. This "Declaration of Status of Schwagerl, Edward Roark: American Freeman, private civilian citizen of the United States/Minnesotan national of The United States of America" supersedes and replaces previous filing with any other public office of said Declaration of Status.

Ninth. Verification

In declarant status whereof, *i, Edward, in esse sui juris*, solemnly make Oath knowing the punishment for bearing false witness before Almighty God and Men and aver that *i am* of sound mind and judgment, not under any form of threat, duress or coercion and that the foregoing Declarations and statements in the above pages 13 thru 24 are true, correct, and certain without the intent to mislead, and are expressed within My will, wishes, intent, a snapshot of what is truly written on My heart, and purpose to support the laws of *de jure* constitution for The United States of America as Amended A.D.1791 and the constitution of the unincorporated Union member state of Minnesota 29 August 1857. Having herein declared My explicit intent and Will with particularity and specificity, as to matters of fact My said private civilian citizen of the United States/America national citizenship *in esse* and *sui juris* capacity *am* not further required to aver; and solely by the Grace of God do have the Honor of being a bondservant of Christ. Further *i* Declarant Sayeth No More.

IN WITNESS WHEREOF, *i* hereunto set My hand this 13th day of Oct in the Year Two Thousand Sixteen of our Lord Jesus the Christ Advocate, and of the year of independence of America the two hundred and fortieth.
