1.1 **Department of Health**

1.2 **Adopted Permanent Rules Pertaining to Communicable Disease Reporting**

1.3 **4605.7000 DEFINITIONS.**

1.4 *[For text of subps 1 to 12, see M.R.]*

1.5 Subp. 12a. **Submitter.** "Submitter" means a health care practitioner, a medical or
1.6 veterinary laboratory, a veterinarian, a medical examiner or coroner, or any other individual
1.7 or entity that is required to submit clinical materials to the Minnesota Department of Health
1.8 under this chapter.

1.9 *[For text of subps 13 to 15, see M.R.]*

1.10 **4605.7040 DISEASE AND REPORTS; CLINICAL MATERIALS SUBMISSIONS.**

1.11 Persons required to report under this chapter shall report to the commissioner cases,
1.12 suspected cases, carriers, and deaths due to the following diseases and infectious agents.
1.13 When submission of clinical materials is required under this part, submissions shall be made
1.14 to the Minnesota Department of Health, Public Health Laboratory.

1.15 *[For text of items A and B, see M.R.]*

1.16 **4605.7041 CLINICAL MATERIALS SUBMISSION MODIFICATION.**

1.17 Subpart 1. **Modification due to circumstances or situations.** The commissioner may
1.18 modify clinical materials submission requirements under part 4605.7040 if the commissioner
1.19 determines that one of the following circumstances exists and the modification does not
1.20 risk the public's health. The circumstances are:

1.21 A. laboratory testing methods or capabilities are not sufficient or adequate to
1.22 determine the presence of the pathogen of concern;

1.23 B. surveillance needs have changed; or

2.1 C. evolving pathogen knowledge indicates that either the pathogen is no longer
2.2 a concern or advances in diagnostic testing provide the necessary information to public
2.3 health.

2.4 Subp. 2. **Notification.** The commissioner must issue an order that notifies submitters
2.5 that the commissioner is altering normal submission requirements under part 4605.7040.
2.6 The commissioner's order must identify the circumstance in subpart 1 that warrants the
2.7 suspension, the need for different submission requirements, and the situation-specific
2.8 directions for clinical submission necessary to correct the situation. The directions must
2.9 identify the following:

2.10 A. the submissions of clinical materials that are suspended entirely, if any; or

2.11 B. the reduced number of clinical materials that must be submitted; and

2.12 C. other specific changes in required procedures that correspond to the altered
2.13 requirements.

2.14 Subp. 3. **Removal of modification.** The commissioner must issue an order rescinding
2.15 the modified procedures when the criteria for the circumstances no longer apply.
