2022 STATE CANVASSING BOARD CERTIFICATE

We, the undersigned legally constituted State Canvassing Board, as required by law, canvassed on November 29, 2022, the certified copies of the County Canvassing Board Reports received from the County Auditors, which reports list the votes cast at the November 8, 2022 State General Election for United States Representative, State Senator, State Representative, Governor and Lieutenant Governor, Secretary of State, State Auditor, Attorney General, and State Judicial Offices, as required by Minnesota Statutes section 204C.33. We have specified, in the following report, the names of persons reported as receiving votes and the number received by each in the several counties in which they were cast.

We have also received the report of the 2022 Post-Election Review, held pursuant to law, containing the changes in the number of votes counted for candidates for the offices of Governor, and United States Representative, in the precincts reviewed in each county of this State. Pursuant to Minnesota Statutes, Section 206.89, we have incorporated the indicated changes into the following report of the votes cast at the 2022 State General Election.

We specify in the following report the names of persons who received votes, and the number received by each, in the several counties in which they were cast. The candidate who received the highest number of votes cast for each office voted on in more than one county is hereby declared elected. This report also includes the names of candidates, and their vote totals, for offices located completely within one county whose results have been reported and certified to us by those counties.
