NOTICE OF TERRORISM INSURANCE COVERAGE SURETY BONDS

You should know that, effective November 26, 2002, any losses sustained by the surety caused by certified acts of terrorism would be partially reimbursed to the surety by the United States under a formula established by federal law. Under this formula, the United States pays 90% of covered terrorism losses exceeding the statutorily established deductible paid by the surety providing the coverage. The portion of your bond premium that is attributable to coverage for acts of terrorism is \$ **0.00**. Before any charges are added for terrorism coverage in future surety products you purchase, you will be able to make a coverage election for a then specified premium charge.

The existence of the federal terrorism insurance program does not affect the obligations you assume in the indemnity agreement.
