MEMORANDUM

In ordering the annexation contained in Docket No. OA-1061-4, the Director finds and makes the following comment:

Paragraph/item 6 and a portion of 7 of the agreement provides for a division of tax revenue from an annexed area, based upon a one time cash payment. By making this order, no determination is made as to the effectiveness of such a schedule. Minnesota Statutes Section 414.036 allows for a reimbursement to the township of property taxes of substantially equal payments over a period of not less than two nor more than six years. Including such a provision in an order under Minnesota Statutes Section 414.0325 is discretionary with the Director.

Paragraph 15 states the agreement shall remain in full force and effect until certain events occur. End dates or ending mechanisms are problematic in that they appear to run afoul of the act of conferring jurisdiction to the Director. Once jurisdiction is conferred, it cannot be taken away by written consent of the parties. Jurisdiction ends when all the designated area is annexed. The issue whether jurisdiction could be "given back" by the Director upon written request of the parties to the agreement to mutually end their agreement has not been addressed.

The parties are encouraged to consider this comment in light of any further amendments that may be otherwise necessary to this agreement for orderly annexation.
